

California Regional Water Quality Control Board
San Diego Region

ADDENDUM NO. 2
to
CLEANUP AND ABATEMENT ORDER NO. 98-224
for
CITY OF SOLANA BEACH
SAN DIEGO COUNTY

The California Regional Water Quality Control Board, San Diego Region (hereinafter Regional Board), finds that:

1. Completion of the sewer replacement project to address the violations cited in Cleanup and Abatement Order No. 98-224 must be delayed in order for the City of Solana Beach to obtain the necessary environmental approvals for the project.
2. An extension of the deadline to complete the new pipeline is reasonable and the delay should not pose an imminent threat to public health and the environment.
3. This enforcement action is being taken for the protection of the environment and, as such, is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, Section 21000 et seq.) in accordance with Section 15108, Chapter 3, Title 14, California Administrative Code.
4. The Regional Board has notified the City of Solana Beach and all known interested parties of the extension of the deadline specified in this Addendum.

IT IS HEREBY ORDERED that, pursuant to Section 13304 of Division 7 of the California Water Code:

1. **Requirement No. 2 in Cleanup and Abatement Order No. 98-224 is superseded by the following:**
 2. The City of Solana Beach shall complete the construction of a new pipeline crossing San Elijo Lagoon to the Olivenhain Pump Station by April 30, 2000.
2. **Requirement No. 3 in Cleanup and Abatement Order No. 98-224 is superseded by the following:**
 3. The City of Solana Beach shall submit a technical report to this Regional Board by May 31, 2000 from a registered civil engineer certifying the adequacy of the completed pipeline to convey sewage to the Olivenhain Pump Station from the City of Solana Beach. The civil engineer shall

affix their signature and engineering license number to the certification report.

Pursuant to California Water Code Section 13350, any person who intentionally or negligently violates a cleanup and abatement order may be liable civilly in an amount which shall not exceed five thousand dollars (\$5,000), but shall not be less than five hundred dollars (\$500), for each day in which the cleanup and abatement order is violated.
